| 102003 |  | \$483.32 | \$112.27 | \$371.05 |  |
| 112003 |  | \$483.32 | \$110.41 | \$372.91 |  |
| 122003 |  | \$483.32 | \$108.55 | \$374.77 |  |
|  |  | \$4,833.20 | \$1,168.30 | \$3,664.90 | \$0.00 |

Beginning balance is the balance before any additional borrowings
Over payments would appear only if the last payment is more than the total owed.
Refunds for any overpayment are not shown
Payments greater than the monthly payment are applied to the outstanding balance

The values below reflect cumulative interest through year-end and no additional payments received.

| Beginning | dditional | Monthly Interest |  | Ending |
